Best Practices in Conflict Resolution and Adaptability

Why Attend

- For most people a conflict is something to avoid at all costs. Therefore, they tend to distance themselves from situations where they ought to be taking control, instead of backing away from important issues.
- The fact is that conflict is a normal part of life, and the ability to resolve conflicts effectively is a crucial skill for everyone to possess.
- In this course we will learn and implement ways to use assertiveness and adaptability skills to manage and resolve conflicts in general and at the workplace. By doing so, you will improve your teams' performance and develop a work environment conducive to goal attainment.

Course Methodology

- The course uses a mix of interactive techniques such as team exercises, case studies, individual exercises, as well as role plays (rehearsed and impromptu), videos and group feedback.

Course Objectives

By the end of the course, participants will be able to:

- Identify causes and effects of conflicts
- Provide various conflict-resolution strategies for various types of conflicts
- Outline and manage a conflict resolution model
- Design an action plan to resolve conflicts
